Terms of Use for Revolve Healthcare's Free Guest Wi-Fi Network

Version 1.0

Welcome to the Revolve Healthcare office! We provide free wireless internet access. We want the network to be safe for both you and our company. Please familiarise yourself with the following terms.

By connecting to our Wi-Fi network, you accept these Terms of Use.

The network is completely free of charge and is available only within our office in Katowice. We provide it for your personal, non-commercial use. We do not guarantee a constant internet speed or uninterrupted coverage. As our guest, you use the network at your own risk.

2. Your security and responsibilities

To use the network securely, ensure that your operating system is up to date and that antivirus protection and a firewall are enabled.

Use the internet in compliance with applicable law, generally accepted standards of social conduct and standards of decency.
